

Fully adaptable to meet the needs of the marine construction project as required by the customer. A large platform (67.1 m long x 17.7 m wide) provides ample space for a variety of marine projects.

Equipped with options such as Azipod Thrusters and a DP System, the barge can be configured with A-Frames, linear traction machines and various reels for cable retrieval, installation and repair and multiple projects. Mobilization is done at the ITB maintenance facility in Burnaby, BC.

Registration

Vessel Type: DP Barge

Built: 1979

Builder: McKenzie Barge and Marine Ltd.

Official Number: 392787

IMO Number: 8645911

Flag: Canada

Owner: Island Tug and Barge Ltd.
